[illegible]A grid of dots with a hand-drawn star in the top right corner. The star is drawn with thick black lines and has a central point. The grid consists of 20 columns and 20 rows of dots. The star is located in the top right corner, with its center at approximately (18, 18) in a 0-indexed coordinate system where (0,0) is the top-left dot. The star's points extend towards the top and right edges of the grid.

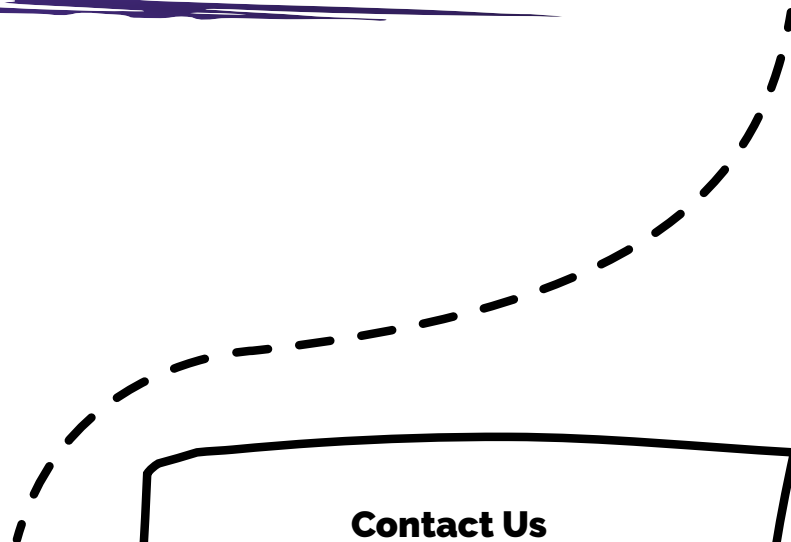

[illegible]A grid of dots with a stylized sun in the top right corner. The sun is drawn with a simple black outline and several short lines radiating from it to represent rays. The grid consists of small, evenly spaced dots that form a background pattern.
