# Book Clubs Expansion

A Supplement for *Being a Reader, Second Edition*

## Practice Essential Skills, Develop Independence, and Build Knowledge in a Small-Group Setting

*Being a Reader*®, Second Edition Book Clubs Expansion is a supplement to the Book Clubs teacher's materials in *Being a Reader, Second Edition*.

The lessons in the *Book Clubs Expansion Teacher's Manual* provide students in grades 3–5 with additional opportunities to learn and practice essential skills and generate independent thinking in a small-group setting, with the goal of helping them develop independence.

In addition, the Book Clubs Expansion texts offer further knowledge-building opportunities about topics introduced in *Being a Reader* whole-class lessons and topics introduced across texts during *Being a Reader* Small-Group Reading lessons.

Skills and strategies addressed in Book Clubs Expansion lessons include:

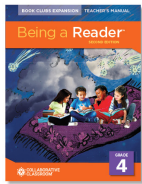

- Exploring text features
- Making connections
- Determining topics
- Determining importance
- Summarizing
- Synthesizing
- Recognizing text organization
- Determining author's purpose
- Making inferences
- Self-monitoring and self-correcting
- Sharing and supporting opinions
- Responding to literature
