

Collaborative Coach

BUILDING EDUCATOR CAPACITY,
STRENGTHENING IMPLEMENTATIONS

Collaborative Coach is a personalized, interactive, asynchronous experience that offers 1:1 coaching in a safe and supportive environment.

Educators receive direct access to a Collaborative Coach who provides program-specific virtual coaching and feedback through the Collaborative Classroom Learning Portal.

Who Should Register

Collaborative Coach is for educators seeking coaching support for implementing *Being a Reader*®, *Caring School Community*®, or the *SIPPS*® program, as well as adults participating in SEEDS of Learning® professional learning.

Cohorts are offered for fall and winter. Custom, district-specific cohorts are also available upon request.

Fee: \$550 per person for one 10-week cohort.
\$1,100 per person for one 20-week cohort.
Optional college credit available.

**Collaborative Coach is both powerful and flexible.
It provided our teachers with individualized professional
learning that is also tailored to fit the needs of our school.**

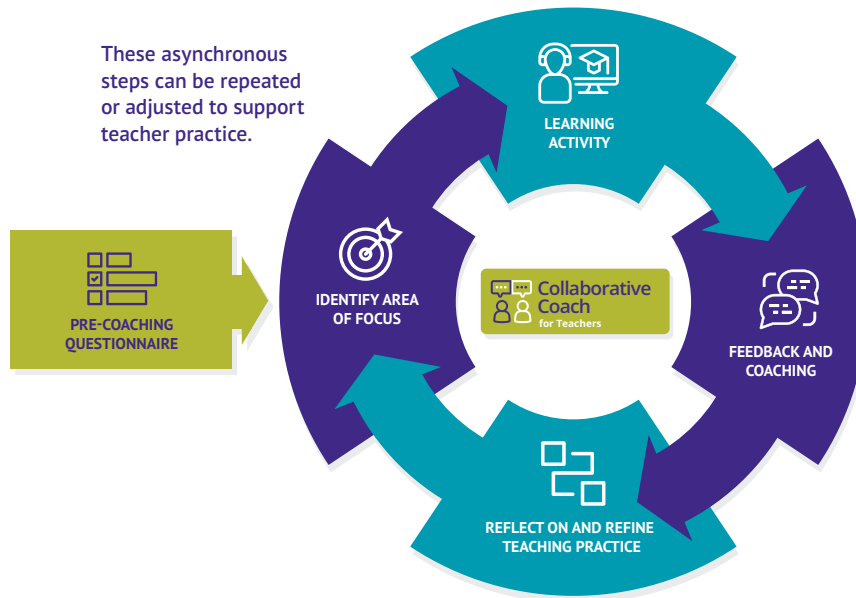

—Elizabeth Rivera, Principal, SC

Refining Educator Practice, Supporting Leaders

The Collaborative Coach cycle of learning refines and energizes educator practice—and by extension, improves student outcomes.

During the coaching cycle, the implementation leader receives data, insights, and professional learning guidance from their educators' Collaborative Coach experiences.
