

Planning Resources

Scope and Sequence

The table below and on the following pages provides a scope and sequence for the *Pinecone Path* program.

- The scope and sequence provides an outline of the literacy, including speaking and listening, and social instruction for each week of the program in the whole-class and small-group lessons. It also lists the assessments provided each week.

	UNIT	WEEK	FOCUS	LESSON TYPE			
				MORNING MEETING	READING		
School Year Weeks 1-3 (Days 1-15)	Unit 1 School and Me	1	Literacy Instruction	Sing a song and say a chant Learn and say one another's names Discuss and identify rhyming words Identify and name classroom objects and locations	Listen to and discuss read-alouds Share own opinions about a story Make inferences Make text-to-self connections Contribute ideas to a shared writing piece Listen carefully		
			Speaking and Listening				
			Social Skill Development	Build the classroom community Participate responsibly Learn and practice classroom procedures	Participate responsibly		
					Assessment		Class Observation
		2	Literacy Instruction	Say a chant Play a movement game Learn and say one another's names Identify and name classroom objects and locations	Listen to and discuss read-alouds Share own opinions about a book Discuss the roles of author and illustrator Share information they learn about a topic Compare and contrast information Contribute ideas to a shared writing piece Act out a poem		
			Speaking and Listening	Listen carefully	Listen carefully		
			Social Skill Development	Build the classroom community Participate responsibly	Participate responsibly		
					Assessment		Class Observation
		3	Literacy Instruction	Say a poem and sing a song with motions Participate in hand-strengthening, stretching, and gross motor activities Play a movement game	Listen to and discuss read-alouds Sing a song with motions Share own opinions about a story Make inferences Explore names Discuss and identify rhyming words		
Speaking and Listening	Listen carefully		Listen carefully				
Social Skill Development	Build the classroom community Participate responsibly		Participate responsibly Handle materials responsibly				
			Assessment		Class Observation
